5 July 2010, Tarporley, Cheshire, UK – As part of its recent £1.7 million restoration programme, one of Cheshire's top hotels, the captivating Peckforton Castle, is adding a touch more magic to the venue with the launch of a luxury beauty treatment facility – Tranquility at Peckforton Castle – due to open on 19 July.

Offering a real escape from it all, Tranquility boasts exquisite beauty treatment facilities and luxury brand products all in the surroundings of this magnificent Castle. The luxurious beauty treatment area features one single treatment room, one double treatment room, which is perfect for romantic his and hers treatments, a shower facility, a spray tan booth and a sumptuous reception area with nail bar.

The extensive variety of treatments and packages for both men and women includes a full range of facial and body treatments by luxury brand Elemis, spray tans by St Tropez, manicures and pedicures by Essie, gel nails by Bio Sculpture, acrylic nails by NFI and make up from exclusive Italian brand RVB, plus aromatherapy, sports massage and Swedish massage.

Tranquility is headed up Vanessa Rowland, aged 21, who graduated two and a half years ago from the International School of Beauty in Nantwich with the CIDESCO Diploma – the world's most prestigious qualification in the field of Aesthetics and Beauty Therapy. Vanessa

previously worked at The Wild Boar Hotel in Cheshire before acquiring the franchise to run Tranquility at Peckforton Castle earlier this year.

The luxury beauty area opens seven days a week to all members of the public from 9am to 9pm Monday to Saturday and from 9am to 8pm on Sundays and to celebrate the launch there are some very special deals, as Vanessa explains: "To celebrate the launch of Tranquility we'll be offering a series of indulgent spa packages, romantic his and hers deals and offers for ladies who lunch, plus a fantastic Beach Body deal which will be available throughout August."

Peckforton Castle managing director Chris Naylor comments: "Visitors to Peckforton Castle will be delighted with Tranquility and Vanessa's team of qualified professionals. Imagine staying with us for a luxury break, doing some vigorous outdoor activity and then winding down with a massage, well now you can. Or, how about popping in for a nice spot of lunch then having a manicure and a spray tan done for the weekend? Now you can do that too! Our brides will find Tranquility invaluable in providing some of the best make-up and hairdressing services around."

To celebrate the launch of Tranquility, Peckforton Castle is inviting all brides and grooms with weddings booked to a special session on 25 July when Vanessa will be available to talk about the products and treatments on offer over a glass of Bucks Fizz.
